

Instr. No. 2650-705A

INSTALLATION INSTRUCTIONS ACCESSORY RELAY MODEL 5345

Hook-Up

Hook-Up to tach- Accessory relay is connected in series with the shift light. Unplug shift light and plug in 2-pin female connector to tach. Plug in 2-pin male connector to shift light. Long black twin leads (4 ft.) allow relay to be mounted in a convenient location.

Hook-Up to accessory- Relay can be used two ways, Sourcing or Sinking.

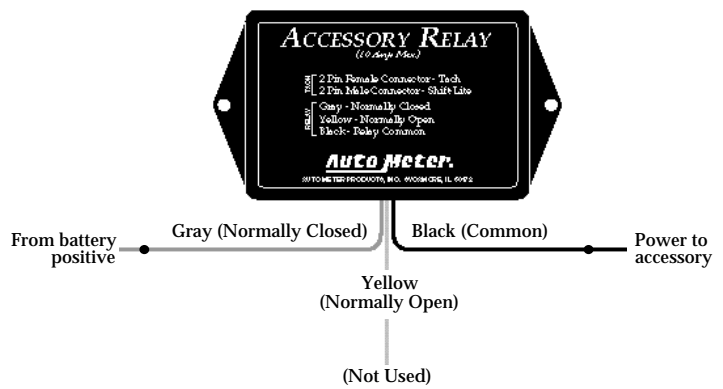

NOTES: Relay is triggered by shift light tachs only. 10 AMPS MAX

When tach is first powered up, relay will activate and then shut off, due to the shift light being activated for light test. Install shut-off switch if needed to prevent accidental powering of accessory during initial self-test.

Wiring

SOURCING RELAY- (In-Line switching relay)

- 1) Closed when shift light is activated. **To turn accessory ON**
- 2) Open when shift light is activated. **To turn accessory OFF**

SINKING RELAY- (Open and Close to ground)

- 1) Open to ground when shift light is activated. **To turn accessory OFF-** via opening ground connection at shift light activation RPM.
- 2) Close to ground when shift light is activated. **To turn accessory ON-** via closing ground connection at shift light activation RPM.

SERVICE

For service send your product to Auto Meter in a well packed shipping carton. Please include a note explaining what the problem is along with your phone number. Please specify when you need the product back. If you need it back immediately mark the outside of the box "RUSH REPAIR," and Auto Meter will service product within two days after receiving it. (\$10.00 charge will be added to the cost of "RUSH REPAIR.") If you are sending product back for Warranty adjustment, you must include a copy (or original) of your sales receipt from the place of purchase.

12 MONTH LIMITED WARRANTY

Auto Meter Products, Inc. warrants to the consumer that all Auto Meter High Performance products will be free from defects in material and workmanship for a period of twelve (12) months from date of the original purchase. Products that fail within this 12 month warranty period will be repaired or replaced at Auto Meter's option to the consumer, when it is determined by Auto Meter Products, Inc. that the product failed due to defects in material or workmanship. This warranty is limited to the repair or replacement of parts in the Auto Meter instruments. In no event shall this warranty exceed the original purchase price of the Auto Meter instruments nor shall Auto Meter Products, Inc. be responsible for special, incidental or consequential damages or costs incurred due to the failure of this product. Warranty claims to Auto Meter must be transportation prepaid and accompanied with dated proof of purchase. This warranty applies only to the original purchaser of product and is non-transferable. All implied warranties shall be limited in duration to the said 12 month warranty period. Breaking the instrument seal, improper use or installation, accident, water damage, abuse, unauthorized repairs or alterations voids this warranty. Auto Meter Products, Inc. disclaims any liability for consequential damages due to breach of any written or implied warranty on all products manufactured by Auto Meter.
