Connecting module to dash logger

- Connect Expansion module to MFDL with 4-way connector on the NET harness included with MFDL.
- Clean and prepare mounting area.
- Mount expansion module using adhesive dual lock strips included.
  **Note:** For maximum strength, allow adhesive to cure for 24 hours.
- Plug sensor harness into expansion module.
- Route wires through the firewall or chassis using grommets where necessary. Use cable ties to secure wiring away from sharp edges, moving parts, and heat sources.
- Plug sensors into harness noting channel numbers. This information will be used later to configure your system using DataPro Designer software that is included with your MFDL.

**PC software set-up**

- Open DataPro Designer and create new configuration or open existing configuration.
- Select Multi Function Race Dash from the drop down menu.
- Click modules tab to view the list of secondary modules.
12 MONTH LIMITED WARRANTY

Auto Meter Products, Inc. warrants to the consumer that all Auto Meter High Performance products will be free from defects in material and workmanship for a period of twelve (12) months from date of the original purchase. Products that fail within this 12 month warranty period will be repaired or replaced at Auto Meter’s option to the consumer, when it is determined by Auto Meter Products, Inc. that the product failed due to defects in material or workmanship. This warranty is limited to the repair or replacement of parts in the Auto Meter instruments. In no event shall this warranty exceed the original purchase price of the Auto Meter instruments nor shall Auto Meter Products, Inc. be responsible for special, incidental or consequential damages or costs incurred due to the failure of this product. Warranty claims to Auto Meter must be transportation prepaid and accompanied with dated proof of purchase. This warranty applies only to the original purchaser of product and is non-transferable. All implied warranties shall be limited in duration to the said 12 month warranty period. Breaking the instrument seal, improper use or installation, accident, water damage, abuse, unauthorized repairs or alterations voids this warranty. Auto Meter Products, Inc. disclaims any liability for consequential damages due to breach of any written or implied warranty on all products manufactured by Auto Meter.
